# General Information

**TIME**—Monday, April 16, 1945. Show will start at 9:30 a. m. Sale will commence at 1:00 p. m.

**LOCATION**—The show and sale will be held at the Red Oak Auction Company, Red Oak, Iowa through the courtesy of Tom Ballard, owner and manager.

The facilities of the Red Oak Auction Company are excellent. They have plenty of parking space for trucks and cars, nice roomy stalls for cattle. The sale pavilion is well ventilated and lighted, most convenient for buyers and owners—everyone interested in better cattle.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to serve until sixteen months old or run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with the guarantee will be at the buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager nor the clerk of this sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each lot sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

**MAIL BIDS**—Those wishing to buy at this sale who cannot attend in person may send their bids to the Sale Manager or to Jack Halsey, the Auctioneer, Mervin Aegerter of the Shorthorn World, Clint Tomson, Secretary of the American Shorthorn Association, Clem Larson, Field Man for the American Shorthorn Breeders' Association or Matt White, Field Representative of Wallace's Farmer, all of these in care of the Sale Manager who will see that they are delivered to the parties whom are entrusted with your order. Any of these men are qualified to know good cattle. Your order sent to them will be carefully and honestly taken care of.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

He is lowset, deep and thick, and like all the calves by Supreme Rival, he is well developed in his hind quarters. He displays much masculinity about the head and crest and with his rich red color, is very attractive. We recommend this bull very highly.

Price and value are two great things.

This is a good solid red heifer sired by Oakwood Impression, Jr., the solid red bull I bought from Paul Teegardin in Ohio five years ago. He weighs about a ton and looks better to me every day. He sired Maxwalton Walkaway, the bull that topped the polled congress sale at Lafayette, Indiana in 1942. A heifer sired by him was grand champion female at Omaha show and sale in 1943 and sold to Lynwood Farms. He also sired the top female at the recent Omaha sale and show. She sold for \$605 to R. E. Phillip of Red Oak. Sells safe in calf to Coronet Memory.
